Good Sports and Sports Radio WEEI

Support for Sports Equipment

Program: Good Sports' mission is to increase youth participation in sports, fitness, and recreational programs by targeting one of the major obstacles limiting participation – access to sports equipment. Good Sports is a non-profit organization that distributes sports equipment, footwear, and apparel to community organizations offering programs to disadvantaged youth in an effort to help lay the foundation for active, healthy lifestyles. Each year, WEEI radio holds an on-air drive to generate support for youth sports organizations throughout Massachusetts and Rhode Island. This year, WEEI and Good Sports have formed a partnership to expand their reach to youth sports programs throughout the region. The selected organizations will be featured on WEEI 850 AM during the drive with the funds raised used to meet the need for sports equipment requested through the application process. The on-air drive provides an opportunity for programs to raise funds for sports equipment, as well as gain exposure for their cause. To be considered for the program, organizations must serve disadvantaged youth and be operating an organized sport or recreation program, that is not necessarily competitive, but must have coaching, be structured, and meet multiple times. Eligible sports include basketball, baseball, football, hockey, and soccer.
